# Robert's Rules Of Order 10th Ed Leatherbound Leatherbound

## Synopsis

Originally published as a slim document in 1896, General Henry M. Robert's guide to smooth, orderly and fairly conducted meetings has sold close to five million copies in ten editions. This tenth edition is the only book containing the officially sanctioned and completely developed Robert's Rules of Order subject matter. Now available in a deluxe leatherbound format with beveled gold edges and a ribbon marker, this classic book will be both the durable and elegant choice for parliamentarians, novice club presidents and committee chairs alike.

Language: English

ISBN-10: 0738209236

ISBN-13: 978-0738209234

Product Dimensions: 6.8 x 4.7 x 1.4 inches

Shipping Weight: 1 pounds

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (224 customer reviews)

Best Sellers Rank: #2,826,295 in Books (See Top 100 in Books) #18 in [Books > Reference > Etiquette > Rules of Order](#) #11024 in [Books > Business & Money > Education & Reference](#)

## Customer Reviews

As a lawyer, when I am asked about proper procedure at a meeting, my first question is: What rules do you use? Is there an applicable statute, or bylaws or rules that the organization has adopted? Nine times out of ten, the answer is: "Robert's Rules of Order." Robert's is the most widely used parliamentary manual in the United States. General Henry M. Robert published the original "Robert's Rules" in 1875 and 1876 and, since the copyright on that edition (and the next few editions) has long since expired, there are numerous unofficial editions on the market. The third edition, published in 1893, is still marketed in paperback by more than one publisher as the "original" Robert's Rules. With the copyright expired, even the name "Robert's" has passed into the public domain, and many imitators have slapped the name "Robert's" on books of parliamentary procedure that bear minimal relation to General Robert's work (much as many dictionaries claim the name "Webster's" without any connection to Noah Webster or the Merriam-Webster brand that carries on his work). This book is the real Robert's, composed by an editorial board appointed by General Robert's heirs (including his descendants Sarah and Henry III, both eminent parliamentarians). Now in its tenth edition,

published in 2000, this book "supersedes all previous editions and is intended automatically become the parliamentary authority in organizations whose bylaws prescribe 'Robert's Rules of Order' . . . or the like, without specifying a particular edition.
