A Field Guide To Antietam: Experiencing The Battlefield Through Its History, Places, And People

Synopsis

The Battle of Antietam took place on September 17, 1862, and still stands as the bloodiest single day in American military history. Additionally, in its aftermath, President Abraham Lincoln issued his famous Emancipation Proclamation. In this engaging, easy-to-use guide, Carol Reardon and Tom Vossler allow visitors to understand this crucial Civil War battle in fine detail. Abundantly illustrated with maps and historical and modern photographs, *A Field Guide to Antietam* explores twenty-one sites on and near the battlefield where significant action occurred. Combining crisp narrative and rich historical context, each stop in the book is structured around the following questions: *What happened here? *Who fought here? *Who commanded here? *Who fell here? *Who lived here? *How did participants remember the events? With accessible presentation and fresh interpretations of primary and secondary evidence, this is an absolutely essential guide to Antietam and its lasting legacy.

Book Information

Paperback: 360 pages

Publisher: The University of North Carolina Press (September 17, 2016)

Language: English

ISBN-10: 1469630206

ISBN-13: 978-1469630205

Product Dimensions: 6 x 0.6 x 9 inches

Customer Reviews

The authors' field guide to Gettysburg should be owned or at least read to provide an indication of the quality of this current effort. Organized along virtually the same format as the former, this guide provides a look at and description of as well as considerable additional information on multiple events and phases of what Southerners call the Battle of Sharpsburg. If there is any criticism to be made here, it focuses on a necessary sin of omission: Unfortunately, some actions or phases had to be left out. Otherwise, the information included for the twenty one stops (and other related

subsidiary stops) should be enough to educate and pique the interest of those whose idea of a day well spent is wandering battlefields and other historic sites which touch upon this nation's history.
