Everyone should at least attempt to understand its contents and intention and influence on government in general.Can't say any more. (5th amendment).

This is great. My kids use these all year. This is for class next year but i expect it will be as handy as the ones we had last year. Great resource for high school.

We love this laminated constitution document. It's easy to read and don't need to worry about making it dirty or wet.

A very good reference chart on the us constitution

I am happy with this item that I've order!
