From Manassas To Appomattox; Memoirs Of The Civil War In America

Synopsis

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Book Information

Hardcover: 798 pages

Publisher: Andesite Press (August 8, 2015)

Language: English

ISBN-10: 1297570995

ISBN-13: 978-1297570995

Product Dimensions: 6.1 x 1.7 x 9.2 inches

Shipping Weight: 2.8 pounds (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (82 customer reviews)

Best Sellers Rank: #1,549,427 in Books (See Top 100 in Books) #86 in [Books > History > Americas > United States > Civil War > Campaigns & Battlefields > Appomattox](#) #1789 in [Books > Biographies & Memoirs > Historical > United States > Civil War](#) #11053 in [Books > Biographies & Memoirs > Leaders & Notable People > Military](#)

Customer Reviews

The war of northern aggressionâthe War between the Statesâthe Civil Warâcall it what you will, the conflict that took more American lives than any other war and more than almost all of our other wars combined, changed the United States from a collection of, mostly independent, states into a nation. Without the Civil War, the history of this continent would have been vastly different. For the record, I am a southerner, born in Georgia. I am not an apologist for slavery or the plantation society

that made the south of the 19th century one of the richest places on earth at the expense of the terrible bondage of other human beings. There is no doubt that many of the rank and file felt that they were fighting for freedom from the aggression of the Federal government, intent on preserving the union of states. Most southerners, in fact, did not own slaves. But, for those of my southern friends who try to justify the war on the basis of state's rights, make no mistake about it: the state's right they were trying to preserve was the right to own slaves. Having said that, I have respect for my forebears who, misguided and wrong as they were, fought against overwhelming odds to secure what they mistakenly and ironically thought was their freedom to enslave others. James Longstreet's memoirs of the war is, perhaps, one of the finest and most detailed accounts of a great portion of the conflict that tore the country apart and resolved the issue of slavery that the Founding Fathers had put aside during the writing of the U.S. Constitution.
