Duke Sucks: A Completely Evenhanded, Unbiased Investigation Into The Most Evil Team On Planet Earth

Synopsis

In the ranks of NCAA college basketball, Duke University is like something scraped off the bottom of a shoe. It's like a nasty virus you catch from a door handle at a public toilet. No team in sports is as uniquely hated as those smug, entitled, floor-slapping, fist-pumping, insufferable Blue Devils. The loathing has almost reached the level of a religion. Christian Laettner is a punk. Amen. The Cameron crazies are obnoxious. The Plumlees are worthless times three. Coach K is a jerk. Kumbaya. The team is dogged by an intense hatred that no other team can match—and for good reason. Millions of hoops fans and March Madness aficionados around the world are not imagining things. Duke really is evil, and within the pages of *Duke Sucks*, Reed Tucker and Andy Bagwell show readers exactly why Duke deserves to be so detested. They bruise and batter the Blue Devils with fact after fact, story after story, statistic after statistic. They build an airtight case that could stand up in a court of law. So sit back in your "I Hate Duke" t-shirt, and in true Duke fashion, force someone poorer than you to do your work as you crack open the ultimate guide to Duke suckitude.

Bought this book as a gift for my dad, but I read it before I have it to him. We are UK fans and this book is more geared to UNC fans, but no matter who you root for, we can all agree that Duke SUCKS and this book tells you some really good reasons why. Recommended to anyone who hates Duke

Tired of the sport networks obsession with Duke and Coach K? Then this is the book for you. A pure

pleasure to read. It should be required reading for all incoming freshmen at ACC schools as well as for sports network talking heads (especially at ESPN).

Good to read after any Bulls**t Duke loss. Breaks down details related to things like the pro-Duke biased officiating that we all know exists. Wish the book was more tailored to all Duke haters, instead of just UNC Duke haters.

The only drawback is that it was written by a former Tar Heel. Let's the reader get to know the nefarious Coach K in a light rarely seen by outsiders.

The Tarheels aren't the ONLY team that could claim to have a rivalry with the hated DOOKIES. The many years in the past at ol Cole Field House - previous home of the Maryland Terps gave me many memories of the ACC. The DOOK - Terps tickets became hotter than the Redskins-Cowboys annual game. EVERYTHING said in this book is TRUE. The only ones who would deny that ...are the 2.5 people in the country who attended DOOK, or bandwagon fans. Go TERPS! Big TEN rules!!!!

As expected.

As a gift to someone that is a huge UNC fan, this was a great gift. I personally have no affiliation with or against any team, but he is halfway through the book, and he loves it.

My Dearest Reed Tucker (Author), and Andy Bagwell (Author), My advice to you: Expand your vocabulary. Sincerely, Mike McNulty
