Power Made Us Swoon

Synopsis

Guided by the character of the Woman Warrior—witty, swift, and ruthless in her wonder—readers of Brynn Saito's second collection of poetry travel the terrain of personal and historical memory: narrative poems about family, farming towns, and the bravery of girlhood are interspersed with lyric poetry written from the voice of a stone found in a Japanese American internment camp during the wartime incarceration. What histories can be summoned with poetry? What are the forces shaping an American life in the 21st century? Car accidents, patriarchy, and television fall under this poet's gaze, along with the intergenerational reverberations of historical trauma. As with *The Palace of Contemplating Departure*, Saito's first award-winning collection, *Power Made Us Swoon*

Customer Reviews

Power Made Us Swoon is a shattering collection of poetry—and I love it! I received a complimentary e-copy from the publisher Red Hen Press and was asked to provide an honest review. This is my first encounter with Brynn Saito, but I can say now that it won't be my last. This book is truly an engaging experience. Each poem peels open the author and allows us to wander around inside, guided by the "Woman Warrior" of the narrative. We're given dark details of the past and the scars that remained alongside the poet. *Power Made Us Swoon* is ruthless. It is raw. Saito builds ghosts with each page, and the audience is forced to learn of their history. *Power Made Us Swoon* is an in depth look at what it is to be human. It's a look at what life can toss at you, or sometimes snowball into your face. This collection of poetry is as real as

anything as I have ever read, and itâ€™s something I wonâ€™t be giving to a half price books. If you havenâ€™t grabbed this collection, you need to, ASAP. Itâ€™s a learning experience. Youâ€™ll get lost in the poetâ€™s use of language, you may even go mad, but itâ€™ll all come together.
