Product Dimensions: 5 x 1.2 x 7 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)

Average Customer Review: 3.9 out of 5 stars See all reviews (9 customer reviews)

Best Sellers Rank: #92,418 in Books (See Top 100 in Books) #29 in Books > Reference >

Catalogs & Directories #4908 in Books > Parenting & Relationships

Customer Reviews

Pros: It gives you kind of a history of a few names, old names that are coming back into style, doesn't give you "baby name overload" because it's all pretty narrowed down, etc
Cons: Not enough names
We are currently expecting our 2nd baby and are not finding out the sex so we need to find names for both a boy and a girl just in case. I bought this name almanac because it's crunch time and although it's nice to not have to read a million and one names in each alphabet category, I felt there wasn't enough.

I was very disappointed with this book. First of all, despite its title it was last updated in early 2015,

so it didn't even have any 2015 name charts. The list of boy names in the book is ridiculous. There also include about 40 to 50 German names. I am German and can assure that no more than 10 of these suggested names are actually first names. Of those ten, 50% have not been used since medieval times. A lot of names I would have expected were not in there. So if you are looking for an extremely rare name, this is your book. Otherwise, save your time and money.

The first 70 pages are filled with facts and history about names and celebrity names. Disappointed in the variety and number of the actual names provided. Kind of focused on trendy and current names, not a well-rounded selection. However, I liked that the origins and meanings are provided.

I bought this for my cousin who was having a baby and struggling with a name. So many cute and unique names. We spent hours going through this book and making lists! Super helpful and fun to read! Mommy will love it!

I like the selection of names in this book. There are a lot, but not an overwhelming amount like some other name books. Now if only we could decide on a name for our baby!
