Been following him on Instagram forever, now that I'm able to get a hard copy I'm psyched. Each poem is unique, meaningful and takes your breath away. Congrats to this artist who found his

passion and wants to share it with the world. Can't wait for more

After seeing his works on the @HighPoetsSociety Instagram page for months, I had the pleasure of meeting B Abbott at SoWa market in Boston. His talents range from endearing one-liners to immersive stories of sorts, and his book captures the raw emotions of his writings beautifully. Whether you are looking for a light read for your next beach trip or something heavier for a little "me" time, you'll find it here. All you have to do is pick a chapter.

I ordered this book from Abbott's website- I could not be happier. His elegant, smooth writing provokes thought and entertainment. I love how some of the written passages are only a few lines, but are also just as impactful as the longer ones inside the book. 10/10 would recommend.
