Hanbali Acts Of Worship: From Ibn Balban's The Supreme Synopsis

Synopsis

This slim volume presents a practical introduction to acts of worship according to the Hanbali school of Islamic law. The text comes from Shaykh Ibn Balban's Supreme Synopsis (Akhsar al-Mukhtasarat), a favorite introduction covering the full range of topics. The chapters of this volume cover purification, prayer, zakat, fasting, pilgrimage, and jihad. The text includes numerous explanatory notes to equip students for personal practice, and to prepare them for more advanced studies. This edition includes the Arabic text, its translation, and notes drawn from its commentaries—especially Shaykh Abd al-Rahman al-Ba'li's Kashf al-Mukhaddarat. This volume covers the first third of Shaykh Ibn Balban's Supreme Synopsis. Future volumes will cover the rest of the text.

This translation of the first 1/3 of Akh̄sar al-Mukhtasar is currently the most important book detailing Ḥanbalī Fiqh that is available in the English language as of July, 2016. This specific text covers the following topics: Purification, Prayer, Charity, Pilgrimage, and Jihād. One issue arose in reading this text: One of the pages fell out of the book on the first day I received it. Even though I had this issue, I will not rate it lower than five stars due to the benefit.

A spectacular piece of work. TabarakAllah, the words chosen to translate the work are superb, its format, refreshing and neat and the commentaries in brackets are very helpful. Even though I would highly advise that this book be taken under a teacher, this proves to be an amazing resource for one's study in Hanbali fiqh. May Allah reward all those who made this book possible and I plead that

you publish the remaining 2/3rds in the nearest future. And the shipping to Australia was unbelievable arriving only after 7 days
