## Customer Reviews

I wanted to order something a bit more unique than the usual Valentine's day fare, and this looked perfect for the purpose. An item that I get to personalize myself that will last far beyond the traditional bouquet or box of chocolates seemed both thoughtful and memorable. The quality of the pages and binding both stand out very much as well, as my librarian mother quickly pointed out! The illustrations are also very eye-catching and bring the whole package together. I am very pleased with this keepsake journal, and I will consider giving similar gifts in the future as I feel that there is a lot of value in a personalized gift that can be enjoyed for many years following. Highly recommended!

I read a ton of reviews on other products similar to this one and I am glad I went with this book over the others. It is cute, has nice pictures on every other page, it has nice prompts to help you write what makes your significant other special to you, and it isn't overly repetitive or mushy. Oh, and it

was in no way sexual, so I liked that it is something my children can read later, should they ever want to. Husband loved reading it; it brought a tear to his eye. I was able to finish it in an afternoon. Quality was/is very good. I was pleasantly surprised that it is a hard cover, so it should last through the years.

I got this for my fiance as part of his Valentine's gift. This book definitely goes in depth with their questions and require a ton of thinking on past memories (and current too!). Definitely time consuming - I think I spent a couple days doing this. My fiance enjoyed it, and it brought a tear to his eyes (though he says he had something in his eyes, heheh).

It met my needs amazingly. The only thing I didn't like is the paper used...had to find a certain pen to use. I loved the questions and illustrations. Very very good idea for a gift

Love this book. Very long. Took forever to fill out. My husband enjoyed it.

Gorgeous book. Lots of room to fill up the pages with memories.

Cute book for love!
