Skinny Dip

Synopsis

Marine biologist Chaz Perrone can't tell a sea horse from a sawhorse. And when he throws his beautiful wife, Joey, off a cruise liner, he really should know better. An expert swimmer, Joey makes her way to a floating bale of Jamaican pot-and then to an island inhabited by an ex-cop named Mick Stranahan, whose ex-wives include five waitresses and a TV producer. Now Joey wants to get revenge on Chaz and Mick's happy to help her. But in swampy South Florida, separating lies from truths and stupidity from brilliance isn't easy. Especially when you're after a guy like Chaz-who's bad at murder, great at fraud, and just terrible at getting caught... --This text refers to an out of print or unavailable edition of this title.

Best Sellers Rank: #82 in Books > Literature & Fiction > Genre Fiction > Satire #281 in Books > Humor & Entertainment > Humor > Satire #529 in Books > Literature & Fiction > Humor & Satire > Humorous

Customer Reviews

"Skinny Dip" may be the best beach read of the summer! Carl Hiaasen's satire and dark humor do wonders for crime fiction. He turns out the most extraordinarily eccentric characters: the stripper sister-in-law; a quirky environmentalist nephew; the has-been writer neighbor; evil scoundrels who are beyond redemption; Tool, a hulking but kinda lovable brute, who is the villain's heavy; a trashy mistress; and resilient victims who give as good as they get...or better! Set in South Florida, Hiaasen highlights the area's nuttiness and some of the weird folks who inhabit that corner of our country. Not one character could be considered "normal" in this novel, but behind strange facades beat good hearts. Joey Perrone, the almost-murdered wife of corrupt Charles "Chaz" Perrone, makes it back to shore after her husband tosses her overboard a cruise ship, far off Key West's coast. He must have underestimated Joey's talents. She's a former swim star. And thanks to a

floating bale of marijuana and the assistance of Mick Stranahan, a burnt-by-love ex-cop, she doesn't sink. Oh no! Joey lives for pay-back. Chaz, an incompetent marine biologist, (he doesn't even know which direction the Gulf Stream flows in), has long been on the take from agribusiness tycoon Red Hammernut, (great name!), who's been dumping fertilizer into the endangered Everglades. He thinks that Joey has discovered that he's been exchanging clean-water samples for the actual tainted water that is the result of Hammernut's environmental pollution. But his wife doesn't have a clue about the scam. The lovely, curvaceous Joey recovers her strength, mental and physical, at the island home of her gallant rescuer Mike, who is the victim of six failed marriages.
