Zen Page-A-Day Calendar 2017

Synopsis

Awake. Be the witness of your thoughts. You are what observes, not what you observe. âThe Buddha Now with one million copies sold, the calendar that brings peace and wisdom to every desktopâadapted from the bestselling book The Little Zen Companion. Each day offers an enlightening quote, koan, sutra, or parable that reflects the spirit of Zen. The Zen of Friedrich Nietzsche: One must still have chaos in one, to give birth to a dancing star. The Zen of Osho: The real question is not whether life exists after death. The real question is whether you are alive before death. The Zen of Mother Teresa: Be happy in the moment, thatâs enough. Each moment is all we need.

Customer Reviews

My sister gets this calendar every year. I keep meaning to get one, too. This year I remembered! Once the day has passed, you can use the message(s) that apply to include in cards or letters and packages. I can't wait for 2017 to unfold!
