Powered By Girl: A Field Guide For Supporting Youth Activists

Synopsis

A playbook for working with and training girls to be activists of their own social movements Drawing from a diverse collection of interviews with women and girl activists, *Powered by Girl* is both a journalistic exploration of how girls have embraced activism and a guide for adults who want to support their organizing. Here we learn about the intergenerational support behind thirteen-year-old Julia Bluhm when she got *Seventeen* to go Photoshop free; nineteen-year-old Celeste Montaño, who pressed Google to diversify their Doodles; and sixteen-year-old Yas Necati, who campaigns for better sex education. And we learn what experienced adult activists say about how to scaffold girls' social-change work. Brown argues that adults shouldn't encourage girls to "clean in." Rather, girls should be supported in creating their own movements "disrupting the narrative, developing their own ideas" on their own terms.
