MV Agusta F4: The World's Most Beautiful Bike

Synopsis

The world came to know the MV Agusta F4 in the autumn of 1997. After 20 years of oblivion, the legendary marque makes its comeback with this 4-cylinder in line front gear masterpiece, the classic architecture of the glorious Italian school. Those in the know have no doubts: the most beautiful motorcycle in the world is still the MV Agusta F4.

Customer Reviews

This is a truly great account on a fantastic piece of engineering. Even if you do not own an MV but are passionate about motorcycles, you will enjoy going through this book and read about the people behind the MV, their passion and aspirations, and how they offered us the "most beautiful bike"!

This book is a master piece. I liked a lot. Wonderful pictures. Thank you I am very happy. I liked too Giacomo Agostini history and races. Very beautiful

Excellent book! High quality photos, narratives, and fast shipping by the seller. A must have reference material for F4 and Tamburini fans!!

This is a complete history for the F4 and how it was developed. The book is very complete and has many great photos!
