# Duma Key: A Novel

## Synopsis

NO MORE THAN A DARK PENCIL LINE ON A BLANK PAGE. A HORIZON LINE, MAYBE. BUT ALSO A SLOT FOR BLACKNESS TO POUR THROUGH... A terrible accident takes Edgar Freemantle's right arm and scrambles his memory and his mind, leaving him with little but rage as he begins the ordeal of rehabilitation. When his marriage suddenly ends, Edgar begins to wish he hadn't survived his injuries. He wants out. His psychologist suggests a new life distant from the Twin Cities, along with something else: "Edgar, does anything make you happy?" "I used to sketch." "Take it up again. You need hedges...hedges against the night." Edgar leaves for Duma Key, an eerily undeveloped splinter of the Florida coast. The sun setting into the Gulf of Mexico calls out to him, and Edgar draws. Once he meets Elizabeth Eastlake, a sick old woman with roots tangled deep in Duma Key, Edgar begins to paint, sometimes feverishly; many of his paintings have a power that cannot be controlled. When Elizabeth's past unfolds and the ghosts of her childhood begin to appear, the damage of which they are capable is truly devastating. The tenacity of love, the perils of creativity, the mysteries of memory and the nature of the supernatural -- Stephen King gives us a novel as fascinating as it is gripping and terrifying. --This text refers to an out of print or unavailable edition of this title.

## Book Information

Audible Audio Edition

Listening Length: 21 hours and 1 minute

Program Type: Audiobook

Version: Unabridged

Publisher: Simon & Schuster Audio

Audible.com Release Date: January 22, 2008

Best Sellers Rank: #138 in Books > Literature & Fiction > Genre Fiction > Horror > Occult #202 in Books > Mystery, Thriller & Suspense > Thrillers & Suspense > Supernatural #1446 in Books > Audible Audiobooks > Fiction & Literature

## Customer Reviews

Yes, it's scary. Yes, it's long. But this new novel is more than just another Stephen King book. With a streamlined style and a plot that's never predictable, it's King at his crisp, clear, page-turning best.

Before you read further, let me acknowledge I'm incredibly biased here. Not only have I been a Stephen King fan ever since 1975's 'Salem's Lot, I live on a small island off the west coast of Florida, exactly where this story takes place. Great sunsets, a beach lined with huge rental homes, a populace of "the newly wed and the living dead".... they're all part and parcel to this story, and all around me as I sit here typing on my little porch. Beyond the colorful setting, "Duma Key" combines the concepts of bodies gone bad and creativity gone wild -- typical King material -- with the everlasting powers of friendship and love. It's a great beach read, an outstanding character study, a terrific horror story and, eventually, an uplifting tale of moral redemption. Obviously that's plenty of raw material, but King masters it all, with a writing style that's better than ever. As always his imagery is simply stated yet memorably vivid -- waves, for example, crash on the beach with the sound of "the breath of some large sleeping creature" -- and even the most basic sentences and paragraphs have a perfect mix of energy, grace and wit. This time, however, King really takes his time, with a slow pace that allows for plenty of character development and story detail.
