This Modern Love

Synopsis

In the tradition of *Post Secret and Other People's Love Letters*, a crowdsourced compilation of letters, stories, and art work about the modern state of love and relationships, edited by rising filmmaker and beloved YouTube vlogger Will Darbyshire. • What would you say to your ex, without judgment? • This is the question filmmaker and vlogger Will Darbyshire posed to hundreds of thousands of his closest friends on YouTube. Seeking closure after a tough break-up, Will was driven to strike up an intimate conversation with his online audience, and to get at the heart of one of life's unknowable yet universal mysteries: love. Over a period of six months, Will posed a series of questions to his audience and asked them to reveal their innermost feelings about their own romantic experiences in the form of hand-written letters, poems, photographs, and emails. The result is a curated collection of responses that are, at turns, funny, dark, confessional, awkward, comforting, and uplifting. This *Modern Love* is a compelling portrait of individual desires, fantasies, resentments, and fears that reminds us that, whether we're in or out of love, we're not alone.

This is the epitome of a romantics dream novel. I absolutely am so happy with it and read the entire thing while on a plane ride. Every little note and picture is obviously meant to be there and is very cohesive with one another. It will warm your heart at times and make you tear up during others. It's a must for a romantic at heart's collection!

This book met my exact expectations and more. If you are a helpless romantic and simply love love,

this is the book for you! It's a collection of love letters written by real people to other real people; some are sweet, some are salty, some are funny and just all around heartfelt words. I also like the images throughout the book, it gives you another way; through pictures, to experience these letters.
