Chronic Care Professional (CCP) Health Coaching Motivational Interviewing Certification Manual

Synopsis

The CCP 5.0 manual is the definitive learning and reference manual for the only nationally recognized learning and certification program in disease management, population health, lifestyle management and motivational interviewing health coaching. The manual was developed by a team of credentialed and recognized experts in the fields of population health improvement, chronic diseases, lifestyle management and motivational interviewing health coaching. The CCP manual is an indispensable handbook and reference text for all members of the health care team who serve patients at with lifestyle management or disease self-care challenges. The manual includes four modules: I: Population Health Improvement, II: Chronic Conditions, III: Lifestyle Management and IV: Health Coaching. Includes the latest content from the field of evidence-based health coaching, job tools, practice guidelines and case studies on the practice of motivational interviewing health coaching in health care. Purchasers receive a \$349 tuition credit on the only nationally recognized and accredited CCP Health Coaching Certification Program from HealthSciences Institute.
